

P

Treasury Department,

BUREAU OF THE MINT,

Washington, D. C., August 6, 1891.

The Superintendent, U. S. Mint,

Philadelphia, Pa.

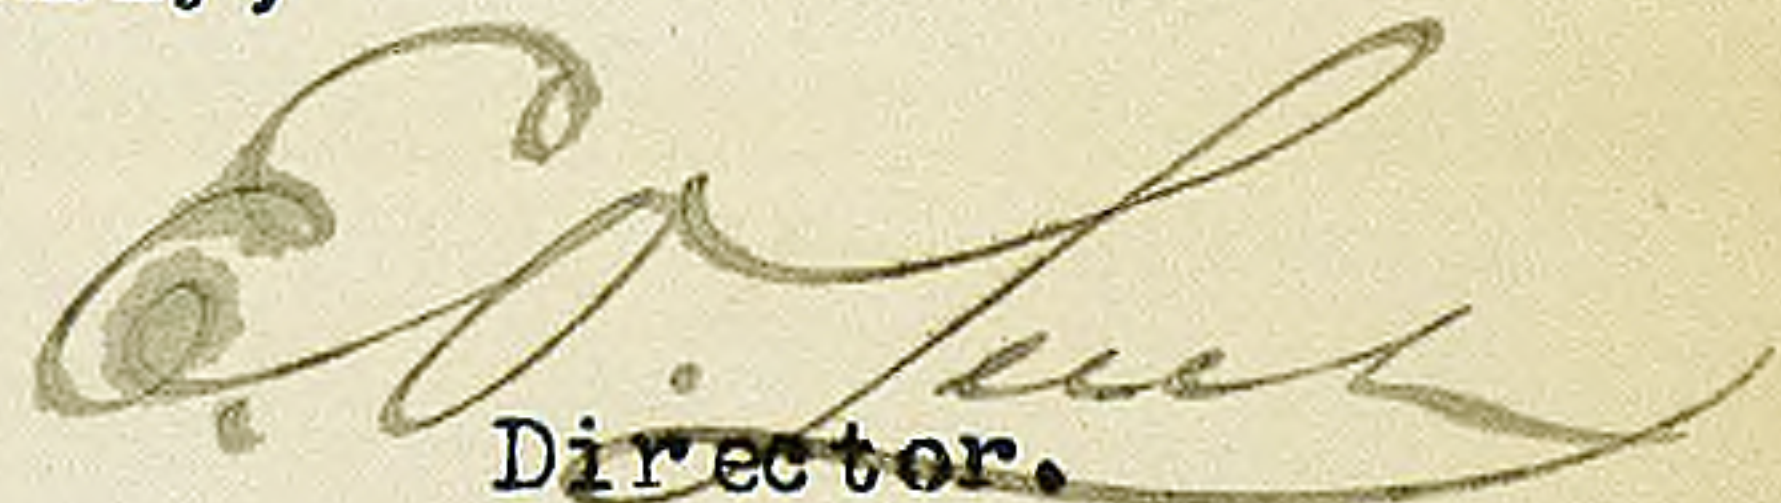

Sir:

I have received your letter of the 5th inst., submitting proposals received by you for the construction and placing of one double draw bench, and one quadruple shearing machine for cutting off and pointing ingots and fillets.

The offers of the Waterbury Farrel Foundry Machine Co., viz: \$975.00 for the draw bench, and \$485.00 for the shearing machine, being the lowest you are authorized to accept the same.

You will decline all offers received for three pairs of single shears for draw benches, *as they are not needed.*

Very respectfully,

Director.
